4 Delimitation criteria

The Demarcation Board after consulting the Electoral Commission must delimit a municipality into wards, each having approximately the same number of voters, taking into account the following criteria:

Part 2 Ward elections

8 Number of votes

(1) In an election of a councillor for a ward each voter has one vote only, and a voter may vote for one candidate only.

(2) In each ward the candidate who receives the most votes is the elected councillor for that ward. In the event of two or more candidates receiving an equal number of votes, the result will be determined by lot.

8A Uncontested ward elections

If only one candidate is duly nominated in a ward, an election is not held in that ward and the uncontested ward candidate is deemed to have been elected-

- (a) in the case of an election called in terms of section 24 (2), with effect from the date set for the election; or

parties, and any undistributed seat or seats must be awarded to the party or parties concerned in sequence of the highest surplus.

(b) If the surplus for two or more parties is equal the seat must be awarded to the party that obtained the highest number of valid votes.

(3) (a) In an election for a metro council or for a local council that has wards, the Electoral Commission must deduct from the total number of seats to which each party is entitled in terms of subitem (1) and (2), the number of ward candidates representing that party who were declared elected.

(4) If a party forfeits seats, a new quota of votes for a seat must be determined in accordance with the following formula (fractions to be disregarded):

Where-

- A represents the total number of valid votes cast for all parties, consisting of those cast on the party vote and those cast for ward candidates representing parties;
- B represents the total number of valid votes cast for the party that has forfeited seats, both on the party vote and for ward candidates representing the party;
- C represents the number of seats in the council;
- D represents the number of seats awarded to the forfeiting party; and

(c) If the surplus for two or more parties is equal, the seat must be awarded to the party that received the highest number of valid votes.

(6) If a ward candidate representing a party is elected unopposed, a vote cast by a voter registered in that ward for the party of which that candidate is a representative must for the purpose of factors A and B and subitem (5) be counted as two votes.

(10) If a party is entitled to an additional number of seats in terms of subitem (5) and its list of candidates does not contain a sufficient number of candidates, the party concerned forfeits,

subject to subitem (1), the unfilled seats and the process provided in this item must be repeated until all seats have been filled or until all listed candidates have been allocated to a vacant seat.

officer must allocate the number of representatives, in the order of preference on the list, to which the party is entitled.

(3) (a) Subject to paragraph (b)-

- (i) if the party concerned has ceased to exist, the seat or seats must remain unfilled;
- (ii) if the party concerned does not deliver a supplemented list, the seat or seats remain unfilled until it delivers a list; or
- (iii) if the party concerned delivers a supplemented list containing fewer names than the number of seats to be filled from that list, the seat or seats remain unfilled to the extent of the shortfall until it delivers a further list.

(b) Where seats are unfilled in terms of paragraph (a), and the vacancies render a quorum for the municipal council impossible, the party concerned forfeits the unfilled seats, and the seats must be filled within 14 days in accordance with subitems (4) to (8).

(4) If a party forfeits seats, a new quota of votes for a seat must be determined in accordance with the following formula (fractions to be disregarded):

$$\frac{A-B}{C-D} + 1$$

Where-

A represents the total number of valid votes cast for all parties;

B represents the total number of valid votes cast for the party that has forfeited seats;

C represents the number of seats in the council to be filled in the election; and

D represents the number of seats awarded to the forfeiting party.

(5) (a) The total number of valid votes cast for each party, excluding the party that has forfeited seats, must be divided by the quota of votes for a seat. The result is the total number of seats to which each party is entitled.

(b) If the calculation in paragraph (a) yields a surplus not absorbed by the seats awarded to a party, that surplus must compete with similar surpluses accruing to any other party or parties, and any undistributed seat or seats must be awarded to the party or parties concerned in sequence of the highest surplus.

(c) If the surplus for two or more parties is equal, the seat must be awarded to the party that received the highest number of valid votes.

(6) If no party is awarded a seat in terms of subitem (5) (a) the votes for each party must be treated in accordance with subitem (5) (b) as if they are surpluses.

(7) The chief electoral officer must determine in the manner provided in item 8 (3) which party candidates are elected.

(8) If a party is entitled to an additional number of seats in terms of subitem (5) and its list of candidates does not contain a sufficient number of candidates, the party concerned, subject to subitem (1), forfeits the unfilled seats and the process provided in this item must be repeated until all seats have been filled or until all listed candidates have been allocated to a vacant seat.

11 Filling of vacancies

(1) (a) If a councillor elected from a party list ceases to hold office, the chief electoral officer must, subject to item 13, declare in writing the person whose name is on the top of the applicable party list to be elected in the vacancy.

(b) Whenever a councillor referred to in paragraph (a) ceases to hold office, the municipal manager concerned must within seven days after the councillor has ceased to hold

office, inform the chief electoral officer thereof.

[Para. (b) added by s. 29 of Act 51 of 2002.]

(2) Where a party list has become exhausted, item 10, adjusted as may contextually be necessary, applies to the supplementation of the list, and if the party fails to supplement its list, or if the party has ceased to exist, the vacancy must remain unfilled.

12 Causes of vacancies on lists

A person who is a candidate on a party list ceases to be a candidate and a vacancy arises in the list when the party withdraws the person's name by written notice to the chief electoral officer or when that person-

- (a) assumes office as a councillor;
- (b) resigns from the list by written notice to the chief electoral officer;
- (c) becomes ineligible to be a candidate;
- (d) is disqualified or removed from the list in terms of any legislation;
- (e) ceases to be a member of the party for which that person was listed as a party candidate; or
- (f) ceases to be ordinarily resident in the municipality to which the list relates.

13 Filling vacancies and changing the order

(1) A party may supplement, change or increase its list at any time, provided that if a councillor elected according to a party list, ceases to hold office, the party concerned may supplement, change or increase its list by not later than 21 days after the councillor has ceased to hold office. The vacancy must be filled as soon as the party in question has supplemented, changed or increased its list, but not later than 14 days after expiry of the 21-day period.

[Subitem (1) substituted by s. 30 of Act 51 of 2002.]

(2) If a party supplements, changes or increases its list in terms of subitem (1) it must provide the chief electoral officer with an amended list.

15 Award of seats on district councils

(1) The quota of registered voters that a local council or a district management area must have in order to be entitled to a seat on a district council must be determined in accordance with the following formula (fractions to be disregarded)-

$$\frac{A}{B} + 1$$

Where-

A represents the total number of voters registered on the district council's segment of the national common voters roll; and

B represents the number of seats on the district council determined in terms of section 23 (2) (a) for representatives of the local councils and district management areas but disregarding any increase in terms of section 20 (5).

(2) Each local municipality and each district management area in the area of a district municipality is entitled to a number of seats on the district council determined by dividing the total number of voters registered on the segment of the national common voters' roll for that local municipality or district management area by the quota of votes for a seat on the district council determined in accordance with subitem (1).

(3) If the calculation in subitem (2) gives a figure that is a fraction of the figure 1, the council or district management area, must be awarded one seat and must not participate in any further calculation or award.

(4) If the calculation in subitem (2) yields a surplus, that surplus must compete with similar surpluses of any other council or district management area, and any seat or seats not awarded in terms of subitems (2) and (3) must be awarded in sequence of the highest surplus.

16 Electing local councils' representatives to district councils

(1) The chief electoral officer must manage the election of representatives of a local council to the district council.

(2) If a local council has been awarded one seat-

(a) any councillor may nominate a candidate;

Each councillor casts one vote for one list only.

In a local council, the quota of votes for a seat to the district council must be determined in accordance with the following formula (fractions to be disregarded)-

$$\frac{A}{B} + 1$$

Where-

- A represents the number of members of the local council; and
B represents the number of seats that the local council has been awarded on the district council in accordance with item 15.

20 Allocating seats

(1) The number of votes cast in favour of each list must be divided by the quota of votes for a seat and the result is the number of seats allocated to that list.

(2) (a) If the calculation in subitem (1) gives a surplus, that surplus must compete with other similar surpluses of any other lists, and any seat or seats not allocated under subitem (1) must be awarded in sequence of the highest surplus.

(b) If the surplus on one list is equal to the surplus on any other list, the seat or seats must be awarded in sequence of the highest number of votes cast for those lists.

[Para. (b) added by s. 32 of Act 51 of 2002.]

21 Selecting names from the list

The chief electoral officer, in accordance with the order of preference on a list, must select the number of candidates from the list that is equal to the number of seats allocated to that list.

22 Insufficient lists

In the case of a list containing fewer names than the number of seats allocated to that list, the corresponding provisions of item 10 must be applied to the extent that that item can be applied.

23 Filling of vacancies

If a councillor elected from a candidates' list ceases to hold office or the list has become exhausted, the corresponding provisions of item 11 must be applied to the extent that that item can be applied.

24 Electing members representing a district management area

Preamble

Whereas the system of local government under apartheid failed dismally to meet the basic needs of the majority of South Africans;

Whereas the Constitution of our non-racial democracy enjoins local government not just to seek to provide services to all our people but to be fundamentally developmental in orientation;

Whereas there is a need to set out the core principles, mechanisms and processes that give meaning to developmental local government and to empower municipalities to move progressively towards the social and economic upliftment of communities and the provision of basic services to all our people, and specifically the poor and the disadvantaged;

Whereas a fundamental aspect of the new local government system is the active engagement of communities in the affairs of municipalities of which they are an integral part, and in particular in planning, service delivery and performance management;

Whereas the new system of local government requires an efficient, effective and transparent local public administration that conforms to constitutional principles;

Whereas there is a need to ensure financially and economically viable municipalities;

Whereas there is a need to create a more harmonious relationship between municipal councils, municipal administrations and the local communities through the acknowledgement of reciprocal rights and duties;

Whereas there is a need to develop a strong system of local government capable of exercising the functions and powers assigned to it; and

Whereas this Act is an integral part of a suite of legislation that gives effect to the new system of local government;

BE IT THEREFORE ENACTED by the Parliament of the Republic of South Africa, as follows-
