1. INTRODUCTION

The Promotion of Access to Information Act, No. 2 of 2000 (hereinafter referred to as “PAIA”, or “the Act” interchangeably) is the national legislation which gives effect to the constitutional right of access to information. PAIA came into operation on 9 March 2001, except for Sections 10, 14, 15 and 51, which came into operation on 15 February 2002.

Section 14 of the Act obliges public bodies to compile a manual, which would assist a person to obtain access to information held by the public body and stipulates the minimum requirements a manual must comply with. The manual relates to the records kept by the public body.

The purpose of this manual is therefore to inform a person on how to obtain access to a record held by the Frances Baard District Municipality (FBDM), and thereby giving effect to section 14 of the Act.

2. HUMAN RIGHTS COMMISSION GUIDE ON THE ACT

Section 10 of PAIA requires of the South African Human Rights Commission to compile simple and easily comprehensible guidelines on how to use the Promotion of Access to Information Act. An electronic version of the guide is kept on the website of the South African Human Rights Commission, www.sahrc.org.za and is updated monthly to keep the public abreast of developments and changes regarding the contact details of information officers of public bodies and general information on PAIA.

Copies of the guide are also available in all official languages at the following offices:

1. Office of information officers of public bodies;
2. All offices of public bodies;

Some of these records are also available for free on the FBDM website at www.francesbaard.gov.za.

8. REQUEST FOR INFORMATION PROCEDURE

A requester must be given access to a record of the district municipality if the requester complies with the following:

- All the procedural requirements in the Act relating to the request or access to that record have been followed; and
- Access to that record is not refused on any ground of refusal mentioned in chapter 4 of the Act.

8.1. Nature of the request

A requester must complete the form which can be found in the Government Gazette [Govt. Notice R187- 15 February 2002, Form A] and on the website of the district municipality (www.francesbaard.gov.za)

8.2. Process

- The requester must also indicate if he or she would like to copy the record or would like to inspect the record at the offices of the municipality. Alternatively, if the record is not a document it can then be viewed in the requested form, where possible (s29(2));
- If a person asks for access in a particular form then the requester should get access in the manner that has been asked for. This should be the case unless doing so would interfere unreasonably with the running of the municipality, or damage the record, or infringe a copyright not owned by the state. If for practical reasons access cannot be given in the required form but in an alternate manner, then the fee must be calculated according to the way that the requester first asked for it (s29(3) and (4));
- If, in addition to a written reply to their request for the record, the requester wants to be informed about the decision in any other way, e.g. telephone, this must be indicated (s18(2)(e));
- If a requester is asking for the information on behalf of somebody else, the capacity in which the request is being made should be indicated (s18(2)(f)); and

- If a requester is unable to read or write, or has a disability, then they can make the request for the record orally. The information officer must then fill in the form on behalf of such a requester and give them a copy (s18(3)).

8.3. Types of fees

There are two types of fees required to be paid in terms of the Act, being the request fee and the access fee in terms of section 22:

- A requester who seeks access to a record containing personal information about himself or herself is not required to pay the request fee. Any other requester, who is not a personal requester, must pay the required request fee.
- The information officer must notify the requester (other than a personal requester) by notice, to pay the prescribed fee (if any) before further processing the request.
- The request fee payable to public bodies is R35 (thirty-five rands). The requester may lodge an internal appeal, where appropriate, or an application to the court against the tender or payment of the request fee.
- After the information officer has decided on the request the requester must be notified of such a decision in the way in which the requester wanted to be notified in.
- If the request is granted then a further access fee must be paid for the search, preparation, reproduction and for any time that has exceeded the prescribed hours to search and prepare the record for disclosure.

10. HOW TO GAIN ACCESS TO THESE SERVICES

10.1. The application processes

Step 1: The request

Where a person wishes to access information held by FBDM, such a person must make a request for access to the relevant information in the prescribed form. This form is available on the FBDM website at www.francesbaard.gov.za, or may be obtained upon request to the Municipal Manager at Tel. no.: 053 – 838 0911.

The completed request form may be submitted to:

The Municipal Manager: Ms. ZM Bogatsu

Street address: 51 Drakensberg Avenue, Carters

Glen, KIMBERLEY, 8301

Postal address: Private Bag X6088, KIMBERLEY, 8300

Telephone: +27 (0) 53 838 0911

Fax: +27 (0) 53 861 1538

E-mail: mamikie.bogatsu@fbdm.co.za

Step 2: Validation and acknowledgement

The information officer receives and validates the request to see whether the required information is available within FBDM. The request is then accepted, rejected or transferred to the rightful keepers of the required information. An acknowledgement is then forwarded to the requester to confirm the status of the request.

Step 3: Information processing

If the request is accepted, FBDM will gather and prepare the information and calculate the relevant cost involved. The cost is calculated in terms of paragraph 10.3 below.

Step 4: Final notification

The requester will be informed of the completion of the request as well as the outstanding fees payable to the FBDM.

Step 5: Payment and delivery

Once the payment as stipulated in step 4 is received (following the same payment process as stipulated in step 1), the information is released to the requester.

10.2. General Information

10.2.1. The prescribed form must be completed with enough particularity to at least enable the information officer to identify:

- The record or records requested;
- The identity of the requester;
- Which form of access is required, if the request is granted; and
- The postal address or fax number of the requester.

10.2.2. The FBDM will process the request within 30 days, unless the requester has stated special reasons, which would satisfy the information officer, which circumstances dictate that the above time periods should not be complied with.

10.2.3. The 30-day period within which FBDM has to decide whether to grant or refuse the request may be extended for a further period of not more than thirty (30) days if the request is for a large amount of information, or the request requires a search for information held at another office of the institution and the information cannot reasonably be obtained within the original 30- day period. The FBDM will notify the requester in writing should an extension be sought.

10.2.4. If a request is made on behalf of another person, then the requester must submit proof of the capacity in which the requester is making the request to the reasonable satisfaction of the Information Officer. If an individual is unable to complete the prescribed form because of illiteracy or disability, such a person may make the request orally. The requester must pay the prescribed fee, before any further processing can take place.

10.3. Fees

10.3.1. The Act provides for two types of fees:

- a) A request fee, which will be a standard fee; and
- b) An access fee, which must be calculated by taking into account reproduction costs, search and preparation time and cost, as well as postal costs.

10.3.2. When the request is received by the information officer, such officer shall by notice require the requester, other than a personal requester, to pay the prescribed request fee (if any), before further processing of the request. If a search for the record has been made and the preparation of the record for disclosure, including arrangements to make it available in the requested form, requires more than the hours prescribed in the regulations for this purpose, the information officer shall notify the requester to pay as a deposit the prescribed portion of the access fee, which would be payable if the request is granted. The information officer shall withhold a record until the requester has paid the relevant fees as indicated below.

10.3.3. A requester whose request for access to a record has been granted, must pay an access fee for reproduction and for search and preparation, and for any time reasonably required more than the prescribed hours to search for and prepare the record for disclosure, including making arrangement to make it available in the requested form.

10.3.4. If a deposit has been paid in respect of a request for access, which is refused, then the Information Officer concerned must repay the deposit to the requester.

10.3.5. The access fees payable are as follows:

	R

- (2) The actual postage is payable when a copy of a record must be posted to a requester.

11. GROUNDS FOR REFUSAL OF REQUESTS FOR ACCESS TO INFORMATION

The main grounds for FBDM to refuse a request for information relates to the:

- (1) Mandatory protection of the privacy of a third party who is a natural person, which would involve the unreasonable disclosure of personal information of that natural person;
- (2) Mandatory protection of the commercial information of a third party, if the record contains:
 - trade secrets of that third party;
 - financial, commercial, scientific or technical information which disclosure could likely cause harm to the financial or commercial interests of that third party; and
 - information disclosed in confidence by a third party to FBDM, if the disclosure could put that third party at a disadvantage in negotiations or commercial competition.
- (3) Mandatory protection of confidential information of third parties if it is protected in terms of any agreement;
- (4) Mandatory protection of the safety of individuals and the protection of property;
- (5) Mandatory protection of records which would be regarded as privileged in legal proceedings;
- (6) Operations of FBDM;
- (7) The commercial activities of FBDM, which may include:
 - trade secrets of FBDM;
 - financial, commercial, scientific or technical information which disclosure could likely cause harm to the financial or commercial interests of FBDM;
 - information which, if disclosed could put FBDM at a disadvantage in negotiations or commercial competition; and

- a computer programme which is owned by FBDM, and which is protected by copyright;
- (8) The research information of FBDM or a third party, if its disclosure would disclose the identity of FBDM, the researcher or the subject matter of the research and would place the research at a serious disadvantage.
- (9) Requests for information that are clearly frivolous or vexatious, or which involve an unreasonable diversion of resources shall be refused.

12. APPEAL PROCESS WHERE REQUESTS FOR ACCESS TO INFORMATION ARE REFUSED

The FBDM does not have internal appeal procedures. The courts will have to be approached in such instances where there is no compliance with the provisions of the Act. This would apply to any situation in which the requester wishes to appeal a decision made by the Information Officer.

Although mention is made of internal appeal procedures, this is subject to such a mechanism actually being in place within a public body to facilitate such an internal appeal.

13. ARRANGEMENT ALLOWING FOR PUBLIC INVOLVEMENT IN THE FORMULATION OF POLICY AND THE EXERCISE OF POWER (SECTION 14(1)(G))

FBDM may make arrangements allowing public involvement in its policy formulation and exercise of its powers under the following circumstances:

- Public and stakeholder participation (Community, public and other stakeholders);
- Council / Committee meetings; and
- Other public meetings.

The public may attend and/or make representations at these meetings.

13.1. Submissions and Reports

The Integrated Development Plan (IDP), annual report and budget processes are open to the public for commentary before approval by Council.

13.2. Internship programmes

There is a recruitment policy in place for the recruitment of the public for such posts.

14. UPDATING OF THE MANUAL (SECTION 14(2))

The Frances Baard District Municipality is responsible for the update and/or review of its manual at the intervals of not more than a year.

15. AVAILABILITY OF THE MANUAL (SECTION 14(3))
