FRANCES BAARD DISTRICT MUNICIPALITY

SPECIFICATIONS FOR THE RE-DESIGN OF THE MUNICIPAL WEBSITE TO INCLUDE BOTH CORPORATE AND TOURISM PAGES

1. OVERVIEW

The Frances Baard District Municipality (FBDM) is a Category C municipality located in the far eastern portion of the Northern Cape Province. FBDM continue to assist its local municipalities in building the capacity that enables them to discharge their mandate. It shares its northern borders with the Northwest Province and its eastern border with the Free State Province. The district municipality makes up only 3% of the province's geographical space. However, it accommodates the largest proportion of the province's population. It comprises the four local municipalities of Dikgatlong, Magareng, Phokwane and Sol Plaatje. Kimberley, is its seat which is where the district municipality is located, and falls within the boundaries of Sol Plaatje. The Frances Baard district is predominantly a mining and agricultural district, with a lot of potential yet unlocked. Two of the largest rivers, the Orange and the Vaal, flow through our district. Kimberley is centrally located in South Africa and various commuters pass through the district en-route to Cape Town or Johannesburg via the N12.

The municipal website should therefore allow for the placement of information regarding the operations of the FBDM online to create a more transparent government by making information easily accessible. This will increase community engagement and keep people informed on municipal activities.

The district is also known as the home of the diamond fields and is rich in heritage sites, culture, natural resources and agriculture. CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.

- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

10.
